

Certificate

Standard **SCCP 2021** unrestricted certificate for the petrochemical industry
Certificate Registr. No. **01 013 120563**

Certificate Holder: **Tip Top Oberflächenschutz Elbe GmbH**
Heuweg 4
06886 Lutherstadt Wittenberg
Germany

including the locations according to annex

Scope: Production, application and service for industrial corrosion and wear protection;
Hard and soft rubber linings and polymer coatings and linings in workshop and on site;
Elastomer coatings, thermoplastics and polyurethane for moulded articles and drum and pulley lagging; Production of rubber lining and polymer coating and lining systems

An HSE management system complying with the SCCP standard has been introduced. It corresponds to the 2021 edition of the SCC-VAZ ('Safety Certificate Contractors') normative regulations.

Certification under the SCCP standard automatically includes certification under the SCC* / SCC** standard.

Validity: The certificate is valid from 2022-11-14 until 2025-11-13.
